Follow these simple 2 steps to make slime that will last and you can play with.

You will need:

- *Any citrus fruit of your choice
 - *Oral b peppermint tooth paste
 - *Butter
 - *Sugar
 - *Egg
 - *Salt
- *It would be good idea to get a wooden spoon and bowl to mix*

Method:

1. Put all you ingredients into your mixing bowl although crack the egg last.
2. Then mix well until everything is mixed and it looks like slime.

At this point the slime dripped through my fingers check yours.
